Since Dr. B.L. Manjunath has been appointed as the Vice Chancellor of the University of Mysore, the post of the Principal, Central College, Blore has fallen vacant, and the question of appointing a successor to Dr Manjunath would arise. Manjunath and is the in-charge principal. It is for consideration whether the question of appointing the Principal, Central College, Blore, be taken up now alone or a reference from the University Council, Hindu the V.C. be awaited.

Do. Letter No. P.47 Dt 20th July 50 from the V.C. recommending for the reasons stated there in, that Sri L. Rama Rao may be appointed Principal Central College, Bangalore.

6) On the circumstances explained by the Vice chancellor, his recommendation to — appoint Sri L. Rama Rao as the Principal, Central College, Blore, is for consideration and orders. On a previous occasion when Dr. B. Sanjiva Rao retired, Sri L. Rama Rao was placed in the charge of Principal from 25th June 1947 to 19-8-48 till Dr. Manjunath took charge of the office as the Principal. The views of the Univ Council have been obtained in the matter. It is for consideration whether it is necessary to obtain their views before any decision is taken. Submit for orders.

senior-most Professor in the college with the in-charge of the duties of the Principal in addition to his duties as Professor and draws a duty allowance of Rs 100/- pm. which is attached to the post. In one or two instances the senior-most Professor has been posted as Principal, irrespective of the college in which the officer was working. Such instances have been only in cases whether the Department is Common to both the Colleges. Mr A. R. Mackintosh, Professor of English, Maharaja's College, was posted as Principal of the central College, because the Deptt of English is Common to both the Colleges.

10) Strictly according to seniority, Sri V. L. D'Souza, Professor of Economics, Maharaja's College, Mysore, should be posted as Principal of the central College. Since there is no Deptt of Economics in the central College, this posting to the central College, is not permissible. Sri L. Rama Rao, Professor of Geology, central College, who comes next to Sri D'Souza, may have to be posted as Principal of the central College. This will not however result in the latter superseding the former.

ent Sri: Rama Rao, will get an allowance of Rs 100/- for performing the duties of the Principal.

11) The proposal of the University to appoint Sri Rama Rao as Principal of the Central College, may be approved since Sri Rama Rao has been in charge of the duties of the Principal from 3-7-50 & this appointment may be given effect to from that date.

MYSORE

Dear Sri Nirvani Gowda,

Subject: Appointment of Principal, Central College, Bangalore.

Reference: Your letter No.5600/C.B.dated 10th July 1950 to the Registrar, Mysore University.

The senior Professor among the departments of study in the Central College is appointed Principal. Sri V. L. D'Souza and Sri L. Rama Rao are in grade Rs.700-30-850. Sri D'Souza is senior to Sri Rama Rao. Sri D'Souza is Professor of Economics in the Maharaja's College. There is no Department of Economics in the Central College. Consequently the vacancy of the Principalship in the Central College has to be filled up by appointing the seniormost Professor of the Central College.

Sri L. Rama Rao was in charge of the duties of the Principal when Dr. B. Sanjiva Rao retired, and until Dr. Manjunath took charge of the duties (vide Government Notification No.38/C.B.384-46-2, dated 2nd July 1947).

Sri L. Rama Rao took charge of the Principalship on 3rd July 1950. I recommend that Sri Rama Rao, Professor of Geology,

p.t.o.

may be appointed Principal of the Central College from 3rd July 1950.
